# Cytokine Release Syndrome in Children - 3.0

Cytokine Release Syndrome (CRS) presents unique challenges, especially in pediatrics, where managing this condition requires interdisciplinary expertise. Cytokine Release Syndrome 3.0 provides a platform for healthcare professionals to explore advancements, discuss innovative solutions, and share best practices for CRS diagnosis and management.

This event combines an engaging workshop and a two-day virtual conference designed to equip participants with practical knowledge and insights from global experts.

## EVENT HIGHLIGHTS

**April 18, 2025**

### Workshop - CRS: Nuts and Bolts

A deep dive into the fundamentals of CRS, exploring its causes, diagnostics, and initial management strategies.

**Fee: ₹500/-**

**April 19&20, 2025**
